THIS CREDIT UNION IS FEDERALLY INSURED BY THE NATIONAL CREDIT UNION SHARE INSURANCE FUND

The Annual Percentage Yield (APY) is based on the assumption that dividends will remain on deposit until maturity and that a withdrawal or fee will reduce earnings. Certificates are fixed rate accounts and will remain in effect until maturity. Other accounts are variable rate accounts. The dividend rate and APY may change every month, as determined by the Board of Directors. Dividends are paid from current income and -available earnings, after required transfers to reserves at the end of a dividend period. Refer to your Account Agreement and Disclosure Statement for additional disclosures.
